PROFESSIONAL SUMMARY

- Final-year Computer Science and Engineering student with hands-on experience in web development and software engineering.
- Proficient in HTML, CSS, JavaScript, ReactJs, Node.js, and MongoDB.
- Developed a comprehensive Tourist Guide Web Application, demonstrating strong problem-solving and project management skills.
- Eager to apply innovative thinking and technical expertise to contribute to a dynamic team.

PROJECTS

Tourist Guide Web (Jun, 2024 - July, 2024)

- Developed a user-friendly tourism guide website using ReactJs, JavaScript, and MongoDB, featuring tour recommendations, travel guides, and hotel searches.

Intelligent Movie Search and Recommendation System (Mar, 2024 - April, 2024)

- Built a React-based web application that enables users to search for movies and receive personalized recommendations based on their preferences, enhancing user engagement and discovery.

Weather Forecasting Web App (Dec, 2023 - Jan, 2024)

- Developed a React-based web application that allows users to search weather information based on their current locations and explore weather details for different locations globally. The app provides real-time updates.

SKILLS

Programming Languages: C, C++.

Frontend: HTML, CSS, Tailwind CSS, JavaScript, ReactJs.

Backend: Node.js, Express.js, SQL, MongoDB, REST APIs.

Tools: Git, GitHub, Postman, VS code.

Soft Skills: Problem Solving, Time Management, Project Management, Teamwork.

EDUCATION

B.Tech in Computer SVERI's COE	Nov 2021 - Present 81.00%
HSC V. M. Jr. College Vairag	July 2020 - mar 2021 80.50%
SSC V. M. High School Vairag	Jun 2018 – mar 2019 72.00%

CERTIFICATION

- "The Complete 2023 Web Development Bootcamp" on Udemy.
- Completed Full-Stack Web Development Training at Rudra InfoTech Solapur.
- "Data Structures & Algorithms Using C++" On Udemy.

TRAINING

- **Full Stack Web Development Training at Rudra Infotech Solapur**: Duration (4 January to 5 February) one month.
- **Summary**: Completed a one-month intensive training program in front-end web development, mastering HTML, CSS, JavaScript, node.js, built and deployed 1 front-end application in an.
- **Key Learning Outcomes**: Developed proficiency in HTML, CSS, and JavaScript. Then some library like ReactJs. And Framework like Tailwind CSS.
- **Project**: **Instagram App clone** - Designed a real-time social media app using MERN stack (MongoDB, Express, React, Node.js).

LANGUAGES

- English | Hindi | Marathi
